

## *Features and Benefits*

1. 4, 3, 2 thread sewing – your choice for utility and decorative sewing.
2. 15 stitches – you trim, stitch, overcast or embellish a wide variety of fabrics in half the time.
3. Lay-in tension and color coded thread paths – easy to see and easy to thread.
4. Tension release – threads pull easily when presser foot is up.
5. Easy threading instructions – step-by-step interactive DVD and printed quick guide for threading all stitches.
6. Free arm – you can sew cuffs, children's garments and other small areas easily.
7. Differential feed – eliminates stretching of knit fabrics and puckering of lightweight fabrics.  
Can also be used for automatic gathering.
8. Adjustable stitch length, cutting width and presser foot pressure – select best length and fine tune width for sturdy seams and flat smooth stitches on all fabrics.
9. Extra presser foot height – to easily sew several layers or heavy fabrics.
10. Waste tray – catches the scraps and threads.
11. Safety switch – the machine will not sew when the front cover is open.
12. Thread cutter – quick cutting of thread.
13. Universal Standard presser foot – can be used with all built-in stitches.
14. Snap-on presser feet – easy to change to optional feet for specialty techniques.
15. Ruler – use for quick measurement.
16. Electronic speed control – stitch-by-stitch control with full piercing power at all speeds.
17. Sews 1300 stitches per minute – sew faster save time.
18. Built-in extended carrying handle – move the machine without tangling the threads.
19. Moveable upper cutter – disengage the cutter for special techniques.
